**Technical comments:**<sup>3</sup>

The Commission notes that the subject dye is covered by an existing duty suspension that is provided for under HTS heading 9902.03.51. The Commission suggests that the existing duty suspension be extended by amending the date in the effective period column, rather than enacting a new duty suspension.

---

<sup>3</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
